

DYSPRAXIA FOUNDATION

Education Panel Survey

The Dyspraxia Foundation Education Panel is currently collating models of good practice.

To this end we would be grateful if you could complete the following survey and return it to the Foundation. We are seeking to find out what works rather than what doesn't, so that recommendations can be made to the Secretary for Education.

Contact details

Name _____

Address _____

_____ Postcode _____

Email _____

Education establishment

Name _____

Address _____

_____ Postcode _____

Age Range _____ Single sex – Male/Female Mixed

Mainstream Alternative

Day Resident

Please give details about why the setting has worked for your or your child. Details about class/groups size, school/college organisation structure. More information is better than less.

Professionals responding should give confirmation about their establishment and state what accommodations have been made in their institution.

Please use additional paper if required.
